YESTERDAY.—The weather yesterday was pleasant, a strong breeze from the South prevailed all day, and the temperature was very mild. The congregations at all the churches, in the morning, were large, but there were fewer promenaders on the streets, in the afternoon, than usual. Shortly after dark it commenced raining and the attendance at the churches at night was small. Rev. Mr. Gerault, in the absence of the rector, who has been called to Staunton on account of sickness in his family, officiated morning and night at Christ Church, and Rev. Mr. Bannister, of Alabama, filled the pulpit at St. Paul's in the morning. The pulpits in the other churches were occupied by the resident ministers. At the M. E. Church Rev. Mr. Hemenway preached a sermon on the terrible calamity that has just befallen the city of Chicago, taking as his text the 97th psalm. His deduction was that God visited with his vengeauce all places where his laws are flagrantly violated. The following is the work of the Young Men's Christian Association:—"The meeting at the Alms House was as largely attended as usual, with a full corps of the members present, and two of the recently converted gave happy experiences before the meeting. The Sunday Prayer Meeting at the Methodist Protestant Church was well attended and full of interest. Special closet prayer was requested by the leader in behalf of this activity. The meeting next Sunday will be held in the Baptist Church."

IMPORTANT CASE. - In the U. S. District Court, for the western district of Virginia, in session in Harrisonburg, in the case of W. C. Morgan, assignee of P. D. Shepherd vs. T. V. B. Orsborn's administrator, which originated in Loudoun county, on a plea of usury to a bond and deed of trust, a verdict was rendered on Friday last in favor of Orsborn's administrator. The case involved about \$10,000, and was argued before Judge Rives by Messrs. Heaton of Leesburg, Thomas of Fairfax, and Brent of Alexandria for the defendant, and Messrs. R. Y. Conrad of Winchester, and Andrew Hunter of Martinsburg, for the plaintiff. The question involved in the case and which gave it additional interest, was the competency of the Bankrupt to testify, the other party to the contract | inundation. being dead. The case was taken from the Eastern District Court. Judge Underwood, had admitted the testimony of the Bankrapt, under which ruling a verdict for the plaintiff had been rendered; but a new trial baying been granted the case removed to the Western District Court. Judge Rives ex-cinded the testimony of the Bankrupt, and a verdict for the defendant was brought in by the jury. An appeal, it is understood, will be taken to the U. S. Circuit Court, Judge Bond.

BURNING OF A MILL. - The extensive steam stave mill of Mr. E. G. Hight, near Herndon, on the W. & O. R. R., with its entire contents, was totally destroyed by fire this morning about 11 oclock. The mill was conducted on a large scale, and the owner had made arrangements to increase its facilities by refitting it with new an improved machinery and by adding to its capacity. The cause of the fire is unknown. The men who slept in the mill barely escaped with their lives, and lost all their clothing, &c. Mr. Hight, who is absent in Baltimore on business, was telegraphed this morning of the occurrence of the fire, which is deeply regretted, as the mill had been but recently put in operaaion, and was doing a good business, giving employment to a number of hands. As their is an insurance upon the property, the mill will doubtless be soon rebuilt.

LIFE RAFTS. -The Board of Supervising Ins, vectors of Steamboats met on the Potomac riyer, foot of Sixth street, Washington, on Saturday, to have a competitive trial of life rafts. Gen tle men representing the steamboat interest were present from all parts of the country, and also tuany ladies in carriages. The different rafts were put through a course of severe tests to ascertain their strength and bubyaucy. In life-saving dress Professor Merryman was the most successful. The Board will probably adjourn on Tuesday.

SPECIAL NOTICES. An Anchor to Windward .- It is good seamanship, when there is reason to expect heavy weather, to drop an anchor to windward.

We are in the midst of the season of chills and fever. The sure preventive of this distressing malady is Hostetter's Stomach Bitters. A course of that wholesome vegetable tonic will render an

attack impossible. Take the hint and drop an inchor to windward. Weak stomachs are most liable to be disorder ed late in the autumn when the changes of temperature are marked and frequent. Bitters fortifies the stomach against the effects of these variations. Let dispepties make a note of the fact, and drop an anchor to windward.

The liver is more sensitive when the weather is continually alternating between the warmth of summer and the cold of winter than at any other period of the year. This is peculiarly the season of such alterations. Let the billious remember that Hostetter's Stomach Bitters is essentially an

El Vino Catalina .- The announcement that has been so generally heralded throughout the country that an American company has again commenced importing this colebrated Wine Tonic is a matter of no small importance, and will be hailed with joy by all those seeking a pure and invigorating tonic; also, those who need a pure, pleasant and refreshing stimulant will find in the El Vino Catalina, or Brown's Catalina Wine Tonic, what they want.
